

# Texas Math & Science Coaches Association

Dr. Greg Wene and Dr. Sandy Norman, along with faculty and support staff from the UTSA Mathematics Department, promote the TMSCA events by wearing TMSCA promotional shirts on "TMSCA Day."

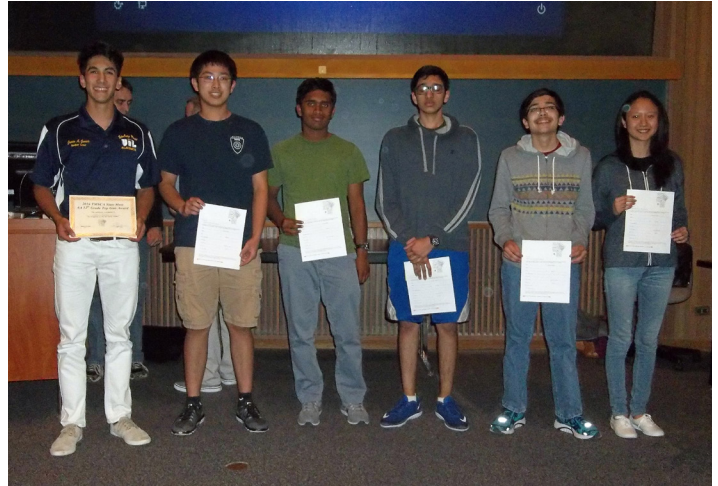

## TMSCA appreciates UTSA's enthusiastic support

Each year the Texas Math & Science Coaches Association hosts two state Math/Science meets for high school and middle school students across the state. And each year the University of Texas at San Antonio welcomes us to its beautiful campus.

The enthusiastic support and promotion of our events are overwhelming. Above, Dr. Greg Wene and Dr. Sandy Norman, along with faculty and support staff from the UTSA Mathematics Department, promote the TMSCA events by sporting our TMSCA promotional shirts on "TMSCA Day" in a weekly effort to make our presence on the campus known.

The continued support from the UTSA faculty, support personnel, maintenance and security staff and the UTSA student volunteers ensures that the students from across the state of Texas will be given the opportunity to get a glimpse of campus life, hopefully encouraging them to pursue their education to the college level.
