## TMSCA launches new online testing format for meets

TMSCA is launching a new testing program that will allow TMSCA to host both the High School and Middle School state meets using a format that will ensure these three goals:

- First and foremost, allow our students and coaches to test in the safest environment possible.
- Second, provide an equitable testing situation for all participating schools.
- Lastly, preserve the integrity of the testing process and the results produced by the testing experience.

TMSCA will host both the High School State Meet and the Middle School Championship meet this year. The dates of the state meets will remain as originally scheduled: HS State Meet (3/20/21) and MS State Meet (4/24/21). Prior the state meets, we will host a series of practice meets and the MS qualifying meets using the same on-line format.

Briefly, here is how these meets and preceding practice/qualifying meets will be conducted:

- Schools will use the TMSCA website to register for the meets

• Students will test on their own campus. **(NO TESTING WILL BE ALLOWED FROM HOME)**. Please do not ask for any exceptions to this rule.

• All tests will be on computer, with students entering answers into the computer and all exams will be automatically graded by the computer.

• Grading of the tests will basically follow UIL/TMSCA rules. For instance, this program will grade answers on the calculator test in either standard notation or in scientific notation, with the +/- one in the third significant digit. But, there will be a few exceptions and these will be explained in detail.

• Testing must occur during a scheduled testing window on the meet date ONLY. Here is the standard testing schedule that will be used for each meet date:

- **Number Sense - 8:30 - 9:00 am**
- **Calculator - 9:01 - 10:00 am**
- **Math - 10:01 - 11:00 am**
- **Science - MS - 11:01am - 12:00 pm**  
**/ HS - 11:01m - 1:10 pm**
- Each school will be asked to proctor their students testing just as though they were proctoring a testing room at

a live practice meet or at the actual live state meet. We will provide detailed appropriate proctor instructions. All tests are timed by the computer.

• Entry fees into each of the practice meets and the MS qualifying meets will be \$5.00 per entry. Entry fees for both state meets will be \$7.00 per entry.

• TMSCA is scheduling a series of practice meets using this platform before the HS state meet and before the MS qualifying meets. There will be 3 HS and 3 MS practice meets using the new platform. The new TMSCA testing calendar is posted on the website and is in this newspaper. It has a complete listing of the new meet dates/formats. These meets will begin on 2/6/21. Registration for the 2/6/21 meets, both HS and MS, is now open.

• We will also provide coaches with detailed instructions on procedures for entering scores into the computers to share with their students, as well as some hints to let your students practice data entry outside of the program.

## TMSCA Executive Board Revises 20-21 Testing Calendar

During its special called meeting on Jan. 23, the TMSCA Executive Board revised the 20-21 testing calendar for the spring testing dates to accommodate the use of the new online testing format. These changes will allow students three practice meets using the new testing platform before they use it in either the MS Qualifying meets/MS State Meet or the HS School State meet.

Registration for each of these meets will be through the TMSCA registration website and will have a cost of \$5 per contest. Grades 6-8 can participate in the MS meets, and grades 9-12 can

**New Testing Calendar  
can be found on page 2**

participate at the HS level. Participation in these meets will require a current TMSCA membership for 20-21 prior to registration. Specifics for the use of the testing website/platform will be shared with registered schools prior to each meet. No individual participation will be allowed. ALL participants must register through their school's TMSCA account.

All TMSCA-hosted meets will offer individual awards for places 1-10 in each grade level for each contest. Awards will be given in the following classifications: 6A, 5A and Small School (1A-4A). Awards for each meet will be mailed following the conclusion of each meet.

MS and HS tournament test sets will still be available for purchase for individually hosted meets for all testing dates, except when noted. For MS, qualifying meet tests will not be available for purchase. All qualifying meets will be on-line through the TMSCA host website.

will also held utilizing this new platform in order to ensure that all qualifying opportunities are equitable across the state.

We understand that you will have many questions. Most of those questions will be answered after your students have participated in at least one of the scheduled practice meets. We would strongly encourage you to

participate in as many practice meets as possible in order for your students to be better prepared for the qualifiers and state meets.

TMSCA hopes that you and your students will choose to participate in this new endeavor. We feel strongly that we need to offer students the opportunity to compete at the state level this year and feel that we have come up with a viable solution.

# TMSCA Executive Board discusses adjusting meets to online on Jan. 23

**Reports: Directors and Liaison Reports**

1. **High School Director Report** – No report.
2. **Middle School Director Report** – No report.
3. **Treasurer Report** – No report.
4. **UIL Liaison Report** – Cliff McCurdy reported that UIL is still trying to decide what to do in light of COVID. They have an upcoming meeting to finalize plans for spring events. Schools are very thankful for TMSCA having online meets, especially the State Meet.
5. **Executive Director Report** - Julie reported the Elementary Online Meet and Gear Up Meet both had good participation.
6. **State Meets Coordinator Report** – No report.

**Report: January 16<sup>th</sup> Demo Meet.** Results of meet were viewed. Feedback from participating coaches was reviewed and discussed. Most concerns have been shared with the programmers, and they will work to make formatting changes to improve the testing process. Overall, reports and feedback were good. Coaches were pleased and want us to proceed with plans for use of this platform.

**Action Item: Adjust Middle School Championship Scores** – Following the second online practice meet, the Board will review/evaluate test scores and set the final qualifying scores for state. This will be decided on Feb. 15 and posted immediately.

**Action Item: Approve dates for Middle School and High School practice meets using new online platform**– Proposed practice meets will be for Middle School grades 6-8 only and for High School. Procedures will be sent to coaches as well as posted on the website. There will be 12 separate on-line Regional Meets to maintain the qualifying process for teams and rank by classification. It will be recommended that schools register

for the same Regional Meet as they attended last year.

- \*Testing dates:
- 02/06 – HS and MS (6-8) practice meet
  - 02/13 – MS (6-8) practice meet
  - 02/20 – HS and MS (6-8) practice meet
  - 03/06 – HS practice and MS Qualifier (Q1)
  - 03/13 – MS Qualifier (Q2)
  - 03/20 – HS State
  - 03/27 – MS Regional Meet (12 individual meets designated by geographic location)
  - 04/10 – MS Tune Up (traditional “paper” format for grades 4-5 begin testing)
  - 04/24 – MS State

A Spring On-Line meet for Elementary was added to the original TMSCA calendar.

**Discussion Item: Meet procedures for online meets** – Instructions for online testing were distributed and reviewed by the Board. Proctoring procedures will be added. Joan, Frances and Julie will write these procedures, and Wenzen and Cliff will review them.

**Action Item: Awards for TMSCA hosted online meets** – Awards for the state meets have been modified to expedite mailing. All team trophies have been replaced by plaques, and all individual trophies have been replaced by custom medals.

TMSCA discussed giving custom-made ribbon awards for all TMSCA hosted on-line meets as well as the Spring Elementary Online meet. HS was included also. Awards will be for places 1-10 in specified classifications. Joan will be in charge of mailing the awards as part of her state duties. Custom ribbons for the six Middle School, three High School and

the Elementary Spring meets will be ordered.

**Action Item: Approve change in format for MS Tune Up Meet** – This year's Tune Up will be given in dual format: on-line using the new platform for grades 6-8 and the traditional paper format for grades 4-5 with a specified testing window.

**Action Item: High School State Meet Scholarships** – Scholarships for the High School State Meet will commensurate with what TMSCA has awarded in the past.

# TMSCA Executive Board meets Dec. 12

**Action Item: Approval of Resignation of Middle School Director** – Carol Stringfellow resigned her position as Middle School Director due to personal circumstances.

**Action Item: Appoint New Middle School Director** – Betsy Jones, Rankin HS/JH, was appointed by the Board to fill Carol's unexpired term as Middle School Director.

## Reports: Directors and Liaison Reports

**1. High School Director Report** – The High School State Meet was cancelled due to COVID-19

**2. Middle School Director Report** – The Middle School State Meet was also cancelled due to COVID-19.

**3. Treasurer Report** – Frances gave the Treasurer's report, and the Board reviewed the final report for 2019-2020.

**4. UIL Liaison Report** – Cliff gave an update on UIL. David Trussell is asking for suggestions for UIL in light of the COVID situation. The requested Middle School UIL Science Test change to a composite 50 question test for grades 6-8 was approved and becomes effective during the 21-22 school year.

**5. Executive Director Report** - Julie reported:

\*Kick-Off had 50 schools, 1049 students registered.

\*EL Online is currently open and schools are registering.

\*MS Gear-Up is currently open and has been extended to Jan. 14.

\*Reported on membership status and participation by our larger school districts.

**Action Item: Set Qualifying Scores for Middle School Championship Meet.** After discussion by the Board, it was decided to post Qualifying Score Guidelines on the website, with final qualifying scores to be determined following the 1/16/21 demo meet and/or MS practice meets using the new online platform.

**Report: Donations:** We are currently receiving regular monthly donations through Benevity Causes.

**Action Item: Proposals for High School State, Middle School Qualifying, and Middle School Championship meets in Online Format** - The Board discussed multiple options for hosting online meets for state meets, qualifying meets and practice meets. It was decided to pursue an online format using an independent contractor/programmer. A demonstration meet was scheduled for 1/16/21 with

select schools participating and giving feedback on the new platform.

**Action Item: Approve revised awards for 2021 State Meets** – The Board voted to modify awards for both state meets, changing trophies to medals and plaques as needed for the 20-21 State Meets for ease of mailing.

**Action Item: Spring Meeting** – The Board voted to have a special called meeting to evaluate the results/program/procedures of the 1/16/23 demo meet. These evaluations will be used to finalize plans for the both state Meets. The date of the called Board meeting was planned for 1/23/21.

**Action Item: High School State Meet Scholarships Recommendation** – After discussion, the Board voted to table the decision to award HS scholarships until the January meeting.

**Action Item: Approve the Middle School State Qualifier Sites** – The Board voted to centralize the Middle School State Qualifiers through TMSCA in an online format that will ensure equitable qualification opportunities for all students.

## A synopsis of TMSCA's 4 contests

### Number Sense

Number Sense involves a 10-minute, 80-question mental math test covering all high school mathematics courses. Shortcuts need to be developed and practiced in order to compete and finish the test.

### Science

This contest challenges students to do a wide range of reading in biology, chemistry and physics, to gain an understanding of the significance of experiments rather than to recall details, to be alert to new discoveries

and information in the areas of science, to gain an understanding of the basic principles as well as knowledge of the history and philosophy of science, and to foster a sense of enthusiasm about how science affects our lives.

### Calculator Applications

This contest includes calculations involving addition, subtraction, multiplication, division, roots, powers, exponential, logarithms, trigonometric functions and inverse trigonometric functions. In addition to straightforward calculation problems, the con-

test includes geometric and stated problems similar to those found in algebra, geometry and trigonometry textbooks, previous contests and League materials related to the contest.

### Mathematics

This contest is designed to test knowledge and understanding in the areas of algebra I and algebra II, geometry, trigonometry, math analysis, analytic geometry, pre-calculus and elementary calculus.
